Background:

A long-standing tradition at the Fresno Chaffee Zoo will continue on Friday, February 2 as the Zoo's male African lion cub, Kijani, will predict the winner of Sunday's Super Bowl 52.

In 2017, male African lion, Chisulo (Kijani's father), picked the correct winner of Super Bowl 51. In 2016, female African lion, Zamaya (Kijani's half-sister), predicted the correct winner of Super Bowl 50. Let's see if picking the correct team runs in the family!

Kijani will choose between two, large cardboard boxes, which will be filled with a special meat treat and decorated accordingly for each team.

"Fresno Chaffee Zoo inspires wonder of our natural world, provides an engaging learning environment, and creates a passion for conservation."
