SUMMER ZOOCAMP KICKS OFF

Fresno Chaffee Zoo opens registration for ZooCamp

FRESNO (April 21, 2024) - Fresno Chaffee Zoo is excited to announce that Spring and Summer ZooCamp registration is now open. Zoo Camp fosters an appreciation and understanding of wildlife and nature for all ages through animal interactions and observations, games, arts and crafts, and other exciting activities.

Summer ZooCamp starts June 10th and offers a variety of camps for different ages. Offerings include Cub Camp for children ages 3-5 years old, half-day camp for children in kindergarten to 5th grade, and full day camp for kindergarten to 5th grade.

Campers will learn about what it takes to run a Zoo, how the wonder of the natural world has inspired mythology through history, the so-called “gross” adaptations and behaviors that animals have, or the more athletic abilities of the animal kingdom. During the five-day camp, your camper will enjoy daily zoo tours, animal visits, crafts, and games.

Parents can find more information on the Summer ZooCamp on the Zoo’s website, www.fresnochaffeezoo.org.
